

# Delivering Dynamic Presentations

Become a

- confident
- engaging
- effective presenter today

*One-day workshop Dec 9th*

**Learn the skills today. Give effective presentations tomorrow.**

Topics include:

- Dynamic delivery skills
- Structuring & preparing
- Knowing your audience
- Preparing yourself
- Developing visual aids
- Identifying your objectives
- Sally's 'seven steps to powerful presence'

*“Presenting to colleagues, staff, managers, and clients is a fundamental part of communication in the business environment. Confident speakers can get their message across to the intended audience with immediate results. You will learn some simple but effective techniques to become an engaging and dynamic presenter. This one-day course will equip you with a variety of transferable skills that will help you create well structured presentations, learn the importance of knowing your audience and how to best use visual aids to enhance your presentations.”* Sally Mabelle M.Ed. B.A.(Hons), President, National Speakers Association of New Zealand (Auckland Chapter)
